

Guideline for poster preparation:

1. **Title** (place at the top center of the poster)
2. **Names of all authors** with affiliations (corresponding author to be indicated, contact to be provided)
3. **Introduction** – motivation, objectives, context
4. **Methods / Materials** – theoretical models, experimental set up and procedures
5. **Results** of the study supported by graphs, tables, pictures, illustrations
6. **Discussion and conclusions** – highlight significance of the findings
7. **Acknowledgements and references**

Additional information:

- The poster dimension should be 90 cm x 120 cm (A0)
- The poster should be designed in an integrated fashion covering all the contents listed above. Printing on separate small sheets and pinning together is not recommended.
- The font size should be large enough so that it can be readable from 1 meter distance.
- Avoid hand drawn materials.
- Make sure that it has a logical flow.
- Use color, graphics, charts, and photos
- The poster should be set up on 12 Dec. 2017 or in the morning 13 Dec. 2017 at **Hall 2**
